## Retired Membership Benefits:

- Remain involved in the industry and connected to friends and business partners
- Keep in the loop with newsletters and industry updates
- Receive all member benefits including discounts and event registration opportunities

## Retired Membership Guidelines:

- Dues are \$35 per year
- Applicants must be retired and no longer working full time for an Associate or Regular Member. (Some exceptions may apply)
- Individuals must have been employed with a company holding a GFAI membership for the past three years and whose membership was in good standing at the time of retirement
- All applications must be approved by the Board of Directors
