

SCHOLARSHIP AUCTION ITEMS NEEDED!

All Proceeds benefit GFAI's Scholarship Program

Each year GFAI works to raise money to award scholarships to students pursuing a career in the grain and feed industry. Over the last few years, The Scholarship Program has received tremendous support allowing additional efforts to reach out to more college students and bring awareness to an industry full of opportunity.

Donating an item for the Silent Auction is one of the easiest ways to continue support and help the Scholarship Fund. Simply choose an item, complete the donation form below and either bring the item with you to the convention or send it to the Association office and we will bring it for you. It's that easy AND it's a good way to get your whole office involved!

As in previous years, the Live Auction will be held at the Grand Opening Reception on Sunday evening and the Silent Auction will be held during the trade show.

Ideas:

- themed baskets
 - antiques
 - photographs and paintings
 - time shares
 - outdoor equipment
 - sports memorabilia
 - sporting event tickets
 - travel vouchers, hotel stays
 - concert tickets
 - homemade items
 - discounted services
 - gift certificates
- ...and don't forget the ladies!

Please complete and return this form to jbrooks@gfai.org or fax to (217)787-8671.

If you plan to send your donation to the GFAI office, please ensure delivery by February 10, 2012.

GFAI reserves the right to determine whether each auction item is placed on either the live or silent auction.
