

2021 Renewable Scholarship Application

\$1,000

This Scholarship is for previous recipients of the Grain and Feed Association of Illinois Scholarship Program. If you still meet the requirements below and would like to apply for a \$1,000 scholarship, complete the form and return to GF AI by **March 1, 2022**. All applicants will receive a notification letter in April. If a scholarship is granted, a scholarship check will be mailed after the requirements below are met.

Student Requirements for \$1,000 GF AI Renewable Scholarship

- Have previously received a GF AI Scholarship and successfully completed those requirements
- Are an undergraduate college sophomore or junior at the time of application
- Want to work in the grain handling and feed industries
- Students will be required to complete one of the following (choose one):
 - o Interview a manager or an employee in a supervisory role who holds a career in the grain and feed industry and write a story to be published by GF AI on the Scholarship Blog
 - o Submit a 30-60 second video with subject matter that involves the grain handling and feed industries
 - o Work or job shadow 2 days at a member facility and write a blog post about the experience (an internship may qualify). Member facilities must be approved by GF AI staff prior to submitting the blog.
- Email or mail completed application by **March 1, 2022** to cali@gfai.org or Grain and Feed Association of Illinois, 3521 Hollis Drive, Springfield, IL 62711

Please contact the Association at 217.787.2417 or e-mail Cali Dambacher at cali@gfai.org with questions.

Name _____ Email _____

Preferred address _____ City _____ State _____ Zip _____

Main/Cell Phone _____ Rank in Fall of 2022: Junior _____ Senior _____

College Currently Attending: _____ Major: _____

Please list the courses you plan to take during the scholarship year.

List general dates, position and company of summer internships or other job experiences.

If you have already accepted a job after graduation, please list it here (if not, leave it blank):

If you have not accepted a job after graduation, what kind of career do you intend to seek?

What have you gained from your Industry Immersion experience?
